

Cascade Pacific Council FRIENDS OF SCOUTING

Dear Friends of Scouting,

Please join me in considering the impact Scouting has had on your life – both directly and indirectly. If you were a Scout, you treasure fond memories of remarkable times in the outdoors, a long list of experiences that magically have endured in your memory all these years. If you are a Scout parent, you vividly recall the adventures and legends of Scout camps, troop outings and merit badge activities shared with your Scout. If you have been a recipient of Scouting service, I suspect you can clearly remember the names and faces of those great youth who served you. If your Scouting experiences are all indirect, your mental picture is probably of smiling, uniformed

boys conducting Eagle projects, ceremonies and community service projects in the neighborhood.

The common thread between these varied memories is that, in every case, young people are being developed, mentored and molded by their Scouting experiences. You can help to perpetuate and expand these remarkable skill-developing activities through your financial support of Scouting.

The Friends of Scouting campaign is the central fundraising activity of Scouting. Through your donation Scouts will camp, leaders will lead and lives will be changed. Please join me in supporting this great cause of developing kids.

Young people throughout northwest Oregon and southwest Washington are depending upon you. Thank you for your support.
